Executive Summary

The main objective of this deliverable is to report on the explanation of the REPLICATE Advisory Board (AB), the AB meetings and the diverse interactions between REPLICATE project and the AB members. AB is composed by experts from different areas so it is considered a multilayered board. The target audience of the deliverable are the three lighthouse cities and WP Leaders apart from the European Commission. This deliverable includes the following information in relation to the AB: objectives and areas of competence, composition, information exchange modalities, annual planning and information collected during the first months of the project. The information and feedback collected from the submission of this deliverable until the end of the project will be summarized in each period progress report. The work described in this document will serve for the exploitation of the feedback and information collected in the AB meetings, as a tool for the improvement of the development of the project and achievement of its objectives.
