Lighthouse Cities Interviews

The Replicate Project has conducted a series of interviews with some of its partners to discuss the actions deployed on the benefited districts and how these implementations will positively affect the district. More info below.

Happy European Mobility Week to everyone!

This year's theme is "Zero Emission Mobility for All".

Remember that you can all participate in the [#WeMoveSmart](#) initiative, sharing a photo, video or phrase of your most #sustainable way of #transport!

[#MobilityWeek](#)

From our Follower City of Essen, they know how important it's to keep citizens updated with smart information.

In this case, they sent us a photo so that we can see that in their streets the information about the European Mobility Week is present!

Upcoming events

March 2021

Coming soon: REPLICATE's final event

The project end date is approaching and REPLICATE is getting ready for its final conference.

Scheduled for the month of March, the final conference of REPLICATE will summarize all the achievements made after 5 years of work.

Calendar of Upcoming Events 2021

A compilation on events related to smart cities in 2021

Conferences, exhibitions, webinars... and all of them dedicated to issues related to smart cities. From REPLICATE we have created an updated calendar that will help you to organize your event agenda.

Sister projects | News

The latest news from our sister projects

SPARCS

Sparcs has created two new videos.

One video about its three lighthouse cities: Valladolid (ES), Nottingham (UK) and Tepebasi/Eskisehir (TR).

One video about the replication activities in the fellow cities: Maia, Kifissia, Kladno, Lviv and Reykjavik.

ATELIER

Atelier has presented #AtelierStories: they will regularly publish videos recorded by their cities and project partners, providing insights about the work and the people behind.

You can read more [here](#).

SHARING CITIES, SMARTER TOGETHER AND SMARTENCITY

The REPLICATE Project is not the only one that comes to an end in 2021, so do [Sharing Cities](#), [Smarter Together](#) and [SmartEnCity](#).

This project has received funding from the European Union's Horizon 2020 Research and Innovation programme under grant agreement No 691735
